CURRY, FROM ORIGINAL INDIA RECEIPT.

Procure lamb or young mutton from shoulder. Cut in pieces about twice as thick as the usual chop and then cut in pieces about two inches. Heat beef drippings boiling hot in thick pot or frying pan. Put in the meat and brown it. Then to twenty-five cents worth of meat take one tablespoon of curry powder, sprinkle over meat while it is browning, letting it come in contact with every part. Care must be taken not to scorch the curry or flavor will be spoiled. Add water to cover, one green onion, one fried onion, a carrot cut in thick slices, a little parsley, and potatoes on top. Salt to taste. Allow to cook two hours. Before serving remove potatoes and thicken with Globe A-1 flour. Serve boiled rice with this dish.—K. M. H.

REAL ENGLISH CURRIE.

Stew twenty-five cents worth of lamb twenty minutes. Brown two onions and two apples (after you have chopped them fine) in a little bacon grease, add a pinch of salt, two dessertspoonfuls of currie; then mix it all in the lamb stew, cook for two hours; just before serving add two tablespoonfuls of Globe A-1 flour and a little lemon juice. Serve with rice.

GYPSY STEW.

One and one-half pounds round steak or veal, ground; one bunch celery; boiling water to cover, and stew until tender; add salt and pepper to taste; three-quarters cup of grated cheese; one-half cup English walnuts; one cup milk, and thicken with two pounds Globe A-1 flour. Garnish with toast points.

CHARTREUSE OF MUTTON.

Take two quarts of boiling water, one cup of rice and two teaspoonfuls salt and cook until done. Now mix two cups cold cooked chopped mutton, two eggs slightly beaten, two teaspoonfuls of finely chopped parsley, one teaspoonful lemon juice, one teaspoonful of onion juice, one fourth teaspoonful of salt and black and red pepper. Butter mold, line bottom and sides with rice, fill in seasoned meat, cover with rice, tie on buttered paper and steam forty minutes. When done turn out on a platter and serve with tomato sauce. Left overs of any kind of meat can be used in the same way.

YORKSHIRE PUDDING.

(Serve with Hot Roast Beef—English Style.)

Three eggs, broken into two cups of Globe A-1 flour, into which two teaspoons of baking powder and one teaspoon of salt have been sifted. Beat into these ingredients one pint of milk, making a smooth batter, about the consistency of rich cream. Remove the roast from pan, and, after draining off most of the drippings, pour in the batter. Raise meat on a skeleton stand so that it rests above, but not on the batter, and the drippings from the meat can fall on the pudding. Cook in moderate oven about one-half hour, and serve in slices with the meat.—K. M. H.

Just a Hint.

When browning a pot roast add a tablespoon of sugar to the fat. It produces a beautiful brown and a delicious flavor.—K. M. H.

Cover raisins with boiling water, add cinnamon and cook 20 minutes. Mix sugar, salt and flour and sprinkle $\frac{1}{2}$ on lower pie crust; add raisins and sprinkle with other $\frac{1}{2}$ of sugar, etc. Add few dots of butter and upper crust and bake.

HOME MADE RAISIN BREAD. 1 pint water, 1 pint sweet milk, 2 ounces sugar, 1 ounce salt, 2 ounces lard, $1\frac{1}{2}$ ounces compressed yeast, 2 pounds raisins, 4 pounds flour. Have milk and water warm. Dissolve yeast in water. Mix dough thoroughly. Let dough raise well, then punch down and let raise again. Mould in round loaves and when raised bake in hot oven of about 450 degrees. When potato yeast is used, use 1 pint yeast and 1 pint milk or water.

SPICED RAISIN BREAD. 2 cups scalded milk, 3 tablespoonsful butter, 2 tablespoonsful sugar, 1 tablespoonful salt, $\frac{1}{2}$ teaspoonful cinnamon, 1 yeast cake in $\frac{1}{4}$ cup lukewarm water, 3 cups flour, 1 cup raisins. Bake thoroughly, cover, let rise till light; cut down and add enough flour to knead (about $2\frac{1}{2}$ cups). Let rise again and bake in moderate oven.

RAISIN AND NUT SANDWICHES — Take mayonnaise or firmly whipped sweet cream, thickened with powdered or chopped nut meats, and Not-A-Seed Raisins. Walnuts, pecans, almonds, filberts or Brazil nuts are nice, or a mixture of several varieties are good. Made with tea biscuits or finger rolls they are very nice and require no butter.

BRAMBLES. 1 cup Not-A-Seed Raisins chopped fine and $1\frac{1}{2}$ cups crackers rolled fine, 1 egg and $1\frac{1}{2}$ lemons (grated peel and juice). Roll short, pie crust thin, cut with cookie cutter. Put a spoonful of the Raisin mixture between two circles of pie crust and pinch the edges together with the fingers. Bake a light brown.

MARGERITES. Make a paste of a cup of chopped nuts and a cup of Not-A-Seed Raisins, mixed with boiling icing. Spread on wafer crackers and put in a very hot oven for a minute only to give them a delicate brown. Very nice with chocolate or coffee for light refreshments.

RAISIN COOKIES. 1 pound sugar, 1 pound dark brown sugar, 1 pound butter, $1\frac{1}{2}$ pounds raisins, $2\frac{1}{2}$ pounds flour, $\frac{1}{2}$ cup molasses, 8 eggs, cinnamon and cloves to taste, 1 teaspoon soda dissolved in a little hot water. Cream butter and sugar as for regular cake and mix accordingly. Drop a teaspoonful on a buttered pan and it should spread like a cookie. If too thin, a little more flour may be added.

MINCE PIES WITHOUT BRANDY. Temperance Mince Pie is made as follows: $1\frac{1}{2}$ pint chopped meat, 3 pints chopped apples, $\frac{1}{2}$ pint each of vinegar and fruit syrup, 2 pints sugar, 1 pint Not-A-Seed Raisins, 2 tablespoons cinnamon and a grated nutmeg. Before putting on the crust drop over each pie bits of butter.

COFFEE CAKE. 1 cup molasses, 1 cup butter, 3 cups flour, 1 cup sugar, 1 cup cold coffee, 1 teaspoon of soda, $\frac{1}{2}$ teaspoon of clove, allspice and cinnamon, 1 cup Not-A-Seed Raisins, currants and small piece citron.

RAISIN CHOCOLATES. Put $\frac{1}{2}$ lb. cake of vanilla sweet chocolate in a sauce pan over boiling water, and when melted add 2 level teaspoons butter, and 2 of boiling water. Dip raisins and put on oiled paper.

NUT BREAD. Sift together 4 cups flour, 4 teaspoons baking powder. To one-half of this add 1 cup chopped nuts, $\frac{1}{2}$ cup chopped Not-A-Seed Raisins. Now beat together $\frac{3}{4}$ cup sugar, 1 egg and $1\frac{1}{2}$ cups milk. Add sifted flour, then flour with nuts and Not-A-Seed Raisins. Put into 2 well greased pans, let stand about 20 minutes, then bake for nearly an hour in moderate oven.

RAISIN CAKE. Put 1 pound butter into a basin, warm it, beat it to a cream and add gradually 1 pound sifted flour, the same of crushed loaf sugar, and the yolks of 6 eggs. Stir these well and when they are incorporated add a wineglass brandy, 1 grated nutmeg, 1 teaspoon water, and lastly the whites of 6 eggs whipped to a froth. Work well until the mixture has a light and creamy appearance, then add 1 pound Not-A-Seed Raisins finely chopped and sprinkle over with 1 breakfast cup flour to make them mix easier. Pour the cake mixture into a tin or mould lined with well buttered paper, bake $1\frac{1}{2}$ hours, turn it out, when done it is ready for use. A few rose leaves steeped in the brandy will add to the flavor of the cake.

ENGLISH PLUM PUDDING. Take 1 pound Not-A-Seed Raisins, mix with them a pound of currants and $\frac{1}{2}$ pound minced orange peel, dust over $\frac{3}{4}$ pound flour. Chop fine 1 pound suet, add to it $\frac{1}{4}$ pound of brown sugar, $\frac{1}{2}$ nutmeg grated, $\frac{3}{4}$ pound stale dry crumbs. Mix all the ingredients together, beat 5 eggs, without separating, until light, add to them $\frac{1}{2}$ pint grape or orange juice, pour over the dry ingredients and mix thoroughly. The mixture should not be wet, but each particle should be moistened. Pack this into small greased kettles or moulds, it will fill 2 3-lb. kettles. Put on the covers, stand the moulds in the steamer and steam steadily for 10 hours. The easier way is to get the ingredients ready the night before; mix and put them on early in the morning, allowing them to cook all day. Take from the steamer, remove the lids of the kettles or moulds and allow the puddings to cool, then replace lids and put puddings away. They will keep in a cool place for several months or a year.

RAISIN RICE PUDDING. $1\frac{1}{2}$ cups boiled rice, 1 pint of milk, 2 eggs beaten light, 3 tablespoons sugar, 1 cup Not-A-Seed Raisins, $\frac{1}{2}$ teaspoon salt, $\frac{1}{2}$ teaspoon vanilla. Put in dish, grate nutmeg over the top and bake until brown.

Serve with plain sweet sauce or cream.

MACAROONS. $\frac{1}{2}$ cup chopped Not-A-Seed Raisins, $\frac{1}{2}$ cup chopped peanuts, 1 cup powdered sugar, 1 large tablespoon of flour and whites of 2 eggs; drop mixture on buttered paper and bake a light brown in a moderate oven.
